5 A man marches into his local police station demanding to speak to the burglar who broke into his house the night before. "You will have your chance in court" was the Sergeants reply. "No, all I want to know is how he snuck into my house without waking my wife, I've been trying for years."

His father said "Today will be the happiest day of your life, one that you wish you could relive over and over again", John said "But the wedding is not until tomorrow, today I am just playing golf and having a few beers with my buddies", to which his father replied, "exactly son, exactly."

You will note that these Best Man jokes are short one-liners which are a far safer option to use in your Best Man speech as long-winded jokes are generally not as well-received. If your speech is littered with short jokes then you should be assured of consistent laughs throughout your speech. Let us not forget the most morale-boosting tonic to anyone giving a Best Man speech is the sound of glee and amusement of the Wedding Guests.
